Well Known Remedy Relieves Chronic Case

Important to Dispose of Watte From the Stomach With Regularity.

People frequently attribute to failare of the digestive organs conditions that are primarily due to inactive bowels, and apply remedies that from their very nature are more apt to aggravate than to relieve the disorder.

When the bowels act regularly the stomach is in better shope to perform its allotted tasks and can usually be depended upon. To keep the bowels in condition there is no more effective remedy than the combination of simple laxative herbs known as Dr. Caldwell's Syrup Pepsin which is sold in drug stores for fifty cents :

Dr. Caldwell has prescribed

quarter of a century and it is today up guaranteed by its use relieves ev. metal. the standard household remedy in ery organ." thousands of homes. Mr. Thos, De A bottle of Dr. Caldwell's Syrup Leach, with the Department of the Pepsia should be on hand in every Interior, Office of Indian Affairs, at home for use when needed.
